

Walkable Warren

Walkable Warren is a local initiative intended to promote healthy lifestyles by encouraging foot travel and bicycling as alternative modes of travel in and around the City of Warren. Warren has a wealth of scenic landscapes, historic architecture, public parks, and trails, all worthy of being showcased and that are best experienced on foot or by bicycle. Recommended routes of travel between the Warren/North Warren Bike/Hike trail, core downtown and a few of our public parks are marked by Walkable Warren signage along our public streets. We encourage you to step out of the automobile as a source of travel, and instead, experience Walkable Warren on foot or by bicycle. Pedestrians should use the sidewalks. Bicyclists must obey all traffic laws.

SOLDIERS AND SAILORS PARK

The Daughters of the American Revolution dedicated Soldiers and Sailors Park on Armistice Day November 11, 1922, to honor Freedom's fallen defenders. The park includes the 1909 granite monument (above) that honored the fallen brave of the Civil War as well as the 1922 WWI Memorial Temple. The WW II Honor Roll has been moved to another location in the County. Soldiers & Sailors is now a City park.
