

Walkable Warren

Walkable Warren is a local initiative intended to promote healthy lifestyles by encouraging foot travel and bicycling as alternative modes of travel in and around the City of Warren. Warren has a wealth of scenic landscapes, historic architecture, public parks, and trails, all worthy of being showcased and that are best experienced on foot or by bicycle. Recommended routes of travel between the Warren/North Warren Bike/Hike trail, core downtown and a few of our public parks are marked by Walkable Warren signage along our public streets. We encourage you to step out of the automobile as a source of travel, and instead, experience Walkable Warren on foot or by bicycle. Pedestrians should use the sidewalks. Bicyclists must obey all traffic laws.
